

# OE-ANVIS-4R

## Aviator Night Vision Goggle

### KEY FEATURES:

- / INNOVATIVE ERGONOMIC DESIGN
- / DEPTH PERCEPTION
- / GEN II+ OR GEN III
- / INTERNAL LOW BATTERY
- / COMPATIBLE TO MIL-STD HELMETS

OE-ANVIS 4R is a significant design improvement to the Aviator's night vision imaging system (ANVIS).

The OE-ANVIS 4R increase situational awareness improves system performance and enhances ergonomic characteristics benefiting both law enforcement and civil operators.

The OE-ANVIS-4R features binocular viewing for optimized depth perception and large 25mm eyepieces that provide improved eye relief, accommodating operators wearing eyeglasses. Ergonomically designed interface controls (including inter-pupillary and vertical/fore-aft/tilt adjustments) provide improved system fields-of-view.
